

## INDUSTRIAL MAINTENANCE MECHANICS

We are seeking a mechanically skilled individual who can work on maintaining plant systems and equipment by completing preventive maintenance schedules, troubleshooting and repairing any issues which may arise during production, restoring, repairing, rebuilding, or replacing faulty or inoperative components and parts. Equipment used in this food processing facility includes industrial, electromechanical and hydraulic equipment as well as pumps and conveying systems.

The Maintenance Mechanic must be able to troubleshoot, install, align, dismantle and move stationary industrial machinery and mechanical equipment, such as pumps, fans, tanks, conveyors, furnaces, generators, hydraulic and pneumatic systems.

Other duties include;

- Inspect and examine machinery and equipment to detect and investigate irregularities and malfunctions.
- Adjust machinery and repair or replace defective parts.
- Perform daily maintenance and repairs as requested by unscheduled work orders and/or department managers and supervisors and completes required documentation to maintain the Preventive Maintenance system.
- Setup, takedown, and relocation of Processing and Packaging equipment
- Comfortable with electrical & PLC Controls
- Clean, lubricate and perform other routine maintenance work on machinery.
- Ensures that the facility and equipment comply with regulatory and safety codes.
- Stays on call for emergency repairs of production equipment.

### Required Education, Experience & Skills:

- 3+ years experience as a field service technician or field repair technician in a food manufacturing environment.
- Good judgement and decision-making skills, organizational skills and problem solving skills.
- Ability to function in a fast-paced manufacturing environment.
- Must be able to use hand and power tools.
- **MUST be able to work a rotating shift (days, afternoon & evenings)**

### Benefit Package

- 3-months probationary period
- 50/50 medical and dental insurance coverage after 6 months

Job Type: Full-time
